

A STEP AHEAD! A STEP CLOSER TO PLACEMENT !!

Workshop on **Industrial Automation** (Electronics - the Backbone of Industry)

About the workshop . . .

Electronics & Communication and Electrical Engineering Dept. is organizing a one-day workshop on Industrial Automation using PLCs and SCADA – the de facto industry standard all over the world.

This as an awareness workshop which will give you an overview of the current technologies and tools used for industrial automation in all Process Control Industries such as Oil & Gas, Food & Beverage, Waste Processing, Water Treatment Plant, Manufacturing, etc.

Entry is open to students of Vikrant and other colleges in Gwalior region who are in any semester of B.E. in the branches – EC/EE/EI/EX/ME/FT.

For Registrations:

Prof. Ajit Rajput
Mbl.: 80851 48130

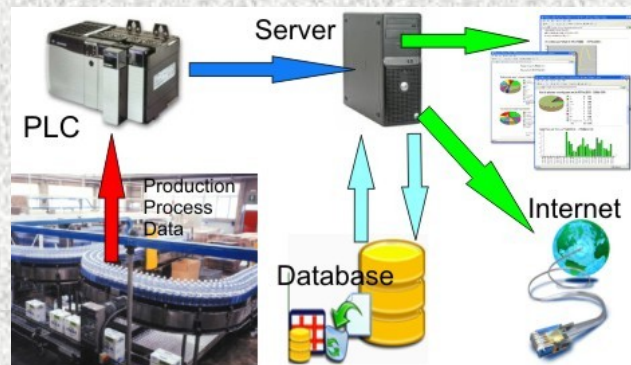

Prof. Abhishek Jain
Mbl.: 90741 2700

“Excellence & Beyond”

EC & EE Dept.

Vikrant Institute of Technology & Management,
Ratwai, Near Bada Gaon, Gwalior, M.P.

Workshop on **Industrial Automation**

Date : 24th September 2014

Time : 9.30a.m. - 3.30p.m.

Venue : Ashoka Hall, VGI Campus

Who can attend?

B.E. students from EC/EE/EI/EX/ME/FT branches.

Registration Fee : Rs.50/-

This includes the cost of training & participation certificate.

- You will become aware of industrial automation process using PLCs/SCADA.
- You will be able to grasp more when you go for industrial visit.
- Your placement opportunities are enhanced.

Electronics & Electrical Engineering Dept.
Vikrant Institute of Management & Technology,
Gwalior.
