# About VGI

The Vikrant Group of Institutions has embarked on a mission with zeal to imbibe a culture of providing quality education to the learners, thereby leading the learners to the pinnacle of success. To achieve this, ab initio we have created a State of Art Infrastructure and indepth resources of dedicated professionals in our team. Our all out endeavour is to groom young future leaders to be complete value driven human beings and competent professionals with a deep passion for our country.

The biggest strength of our Institutes is the renowned faculty members having distinguished academic achievements in different areas of ENGINEERING, MANAGEMENT, LAW, NURSING, PHARMACY and other related basic disciplines.

The endeavour is to have a progressive outlook and introduce innovative teaching-learning process.

# Our Vision

Vikrant Group of Institutions aspires to become a leading institution in central India, promoting the acquisition of new knowledge, fostering creative thinking, and generating skilled manpower aligned with industry dynamics.

## CHAIRMAN

### To the generation who can shape the future

I would like to welcome you to the place where learning is more than just sitting in a classroom. At Vikrant Group of Institutions , in each of our students, we see and help grow the leader who is likely to do well and be a good example in many areas. They have been the best managers from our management college , engineers from our engineering college , and even lawyers from our law school. Our graduates are more than just good at their jobs; they are also known for being creative thinkers, business starters, teachers, community helpers, leaders, soldiers, and big dreamers. Vikrant Group of Institutions is all about bringing together smart and successful people, whether they are students or teachers. Even though the world loves fancy buildings, the latest gadgets, and having lots of things, our college stays true to its roots while also adapting to modern times. This helps us teach people to love the simple joys of life.

Our remarkable teachers, who have extensive experience and knowledge, show the true essence of learning. Our graduates, who have done great things all over the world, prove this. When you look through this prospectus, you will see the kind of place we have made for young people who think education is important and it is not just a way to get a fancy job. We care about more than just building things; we have made a place at Vikrant that has helped many young people think bigger. We have taught generations of students in a way that improves every part of life, and now our graduates are making a big difference wherever they go. We focus a lot on research and working with local businesses, which really helps our students become successful in their careers.

I invite you to engage in future interactions with our students and graduates who are employed in diverse fields. I am sure you will see the value of the journey they have had at Vikrant. While we could talk a lot about the amazing things at Vikrant Group of institutions , it is you who will keep our spirit alive and make a mark on the world. I am excited to have you join our family of thinkers, explorers, and creators, and I am eager to see how you will help shape our society.

Mr. Nitin Singh Tomar  
Vikrant Group of Institutions

## MANAGING DIRECTOR

---

*“We are what we repeatedly do. Excellence then is not an act, but a Habit”, Aristotle*

---

It gives me immense pleasure to share my thoughts at this platform that has grown over the period of time that seems to fly away like it was yesterday. The day when the foundation stone of Vikrant Group of Institutions was laid, there was no infrastructure but just a dream and a vision in the eyes of our Chairman, Sh. Rakesh Singh Rathore, who was busy not just coordinating several events and segments but was obsessed by the vastness of his dream which may certainly seem to be an impossibility to a common man, but at Vikrant, we believe to do what cannot be done.

With the motto of “Dream your dream with open eyes and rest not till you achieve them”, we moved ahead. This was the spirit of Vikrantians that was inculcated by the Chairman in all of us and this is what we have strived for, nothing but perfection. I have been a part of this journey since inception and the great delight that I take in this Goal seeking journey is the student-centric approach. We take pride that we at Vikrant do focus all our activities and energies towards the betterment of the student's fraternity. It is the students that are our motivating and guiding force, it is they that constantly motivate us to keep exploring

for new avenues and greener pastures that may open vast opportunities for us. Vikrant has been such an endeavor for us and thus small plant has become a big tree. When we, at Vikrant Group had thought that we have attained what we have dreamt of, it is then new dreams and goals were conceptualized by our Chairman, the great revolutionary personality, Sh. Rakesh Singh Rathore. As we are always amused by the enterprising and fearless spirit of his, who imbibes by the never-tiring attitude, in the words of Swami Vivekanand “Arise Awake and Stop not till the Goal is reached”.

On behalf of entire Vikrant family I take pride to be a part of the great endeavor in the form of “Vikrant, Indore” and wish that we all, students, staff, faculties and management members would contribute every bit of our knowledge, experience and hard work into the building blocks that would give the Vikrant not only a strong foundation but also a status of an Institution that would eradicate illiteracy and dedicate itself for the betterment of the Society and the Nation as a whole.

Jai Hind, Jai Bharat!

**Mrs. Garima Singh Tomar**  
Vikrant Group of Institutions

## TREASURER

Dear Students and Parents,

Education is a powerful tool for transformation, shaping individuals and societies for a brighter future. Indore, the education hub of central India, is home to premier institutions and a thriving industrial ecosystem, offering immense opportunities for students. At Vikrant Group of Institutions, Indore, we take pride in contributing to this dynamic academic and professional landscape by providing industry-oriented education, innovation-driven learning, and strong placement support.

Strategically located near Pithampur Industrial Area, one of India's largest industrial hubs, Vikrant offers students direct exposure to leading industries, enabling hands-on experience, internships, and career opportunities in engineering, manufacturing, pharmaceuticals, and IT sectors. Additionally, with Indore emerging as a growing IT hub, housing major tech companies and startups, our students benefit from enhanced placement prospects in software development, data analytics, and artificial intelligence.

Indore has been ranked India's cleanest city for eight consecutive years, reflecting its progressive mindset

and commitment to excellence—values that Vikrant also upholds in academia and infrastructure. Our institution fosters a culture of innovation and entrepreneurship through platforms like the Institution's Innovation Council (IIC) and Vikrant Innovation Center (VIC), encouraging students to develop cutting-edge solutions and startup ventures.

We ensure that affordable and quality education reaches every aspiring student, supported by state-of-the-art infrastructure, modern laboratories, digital classrooms, and strong industry collaborations. Our dedicated placement cell, along with our focus on skill development, research, and experiential learning, ensures that our graduates are not only employable but also leaders and innovators in their respective fields.

I warmly invite you to be part of Vikrant Group of Institutions, Indore, where education meets excellence, innovation drives success, and opportunities transform lives. Let's embark on a journey of learning, growth, and achievement together!

**Dr. Sandeep Shukla**  
Vikrant Group of Institutions

## JOINT MANAGING DIRECTOR

Dear Learners,

At Vikrant Group of Institutions, Indore, we believe that education should go beyond textbooks—it should ignite curiosity, inspire innovation, and build future leaders. As we step into the 2025-26 academic year, our commitment remains strong in providing a dynamic, skill-based, and industry-integrated learning experience.

In today's competitive world, having practical skills is as crucial as academic knowledge. To empower our students with job-ready expertise, Vikrant Indore houses a Skill Center approved by NSDC (National Skill Development Corporation), offering PMKVY (Pradhan Mantri Kaushal Vikas Yojana) certified training programs. These initiatives provide students with recognized certifications, hands-on training, and career-oriented skills, enhancing their employability across various industries.

Our institution thrives in Indore—Madhya Pradesh's leading education and industrial hub, surrounded by a

flourishing IT sector and the Pithampur Industrial Area. These strong industry connections open exceptional internship and placement opportunities for our students in top companies, startups, and public sector enterprises.

With state-of-the-art infrastructure, experienced faculty, and a focus on innovation through our Institution's Innovation Council (IIC) and Vikrant Innovation Center (VIC), we ensure that our students are prepared for global challenges and emerging technologies. Whether in engineering, management, pharmacy, commerce, or paramedical sciences, our students receive holistic development, making them leaders, entrepreneurs, and change-makers.

I welcome you to join Vikrant, where education meets skill, and knowledge leads to success. Let's build a future filled with opportunities, excellence, and innovation together!

Best wishes

Principal, VITM, Indore

## MESSAGE FROM THE DESK OF PRINCIPAL

Dear Students and Parents,

It gives me great pleasure to welcome you to Vikrant Institute of Technology and Management (VIKRANT), a premier institution that has been offering Diploma, B.Tech, and M.Tech programs in various branches since 2007. Located near the industrial area of Pithampur, VIKRANT offers a unique learning experience that combines academic excellence with real-world exposure to the latest technological advancements and industry practices. At VIKRANT, we strive to create a nurturing environment that promotes academic excellence, critical thinking, creativity, and innovation. Our faculty comprises experienced and well-qualified teachers who are dedicated to creating a conducive learning environment for our students. We have state-of-the-art infrastructure and facilities that enable our students to excel in their academic pursuits, including fully-equipped laboratories, a well-stocked library, and modern classrooms.

In addition to our academic programs, we also offer a wide range of co-curricular and extracurricular activities that enhance the overall development of our students. Our students have access to various clubs and societies, including the Robotics Club, the Entrepreneurship Club, and the Sports Club, among others. We also organize several cultural and sporting events throughout the year that provide our students with opportunities to showcase their talents and skills. VIKRANT has collaborated with several industries and research organizations to provide our students with opportunities for internships, research projects, and placements. Our students have secured placements in reputed companies such as Tata Consultancy Services, Infosys, Wipro, and Amazon, among others. We also have tie-ups with international universities and research organizations that offer our students the opportunity to pursue higher education and research in their chosen fields.

At VIKRANT, we are committed to providing a world-class education that prepares our students for the challenges of the future. We strive to create responsible citizens who can make a positive impact in their chosen fields and contribute towards nation-building. We welcome you to VIKRANT and look forward to your journey with us.

Best regards

# DEPARTMENT OF COMPUTER SCIENCE ENGINEERING & INFORMATION TECHNOLOGY

## Why Choose Computer Science & Information Technology?

The fields of Computer Science Engineering (CSE) and Information Technology (IT) are the backbone of today's digital transformation, powering advancements in Artificial Intelligence, Machine Learning, Cyber Security, Cloud Computing, Blockchain, Data Science, and Software Development. A degree in CSE or IT not only opens doors to high-paying careers in multinational companies but also provides opportunities to contribute to groundbreaking innovations that shape the future.

## Programs Offered

The department offers B.Tech in Computer Science & Engineering (CSE), B.Tech in Information Technology (IT), M.Tech in Computer Science, and M.Tech in Cyber Security, affiliated with Rajiv Gandhi Proudyogiki Vishwavidyalaya (RGPV), Bhopal, and approved by AICTE, New Delhi.

## Career Opportunities

- Software Engineer / Developer
- Data Scientist / AI-ML Engineer
- Full Stack Developer
- Entrepreneur & Tech Startup Founder
- IT Consultant / Project Manager
- Cyber Security Analyst
- Cloud Computing Specialist
- Network Engineer

## What Sets Us Apart?

- Industry-Aligned Curriculum
- Hands-on Learning
- State-of-the-Art Infrastructure
- Expert Faculty
- Strong Placement Support
- Smart Campus & Digital Learning
- Research & Innovation
- International Exposure & Certifications

# DEPARTMENT OF FIRE TECHNOLOGY AND SAFETY ENGINEERING

## About the Department

Established in 2013, the Department of Fire Technology and Safety Engineering at Vikrant Institute of Technology and Management, Indore, has been at the forefront of delivering high-quality education in this specialized domain.

Our flagship program, the 4-year B.Tech in Fire Technology and Safety Engineering, is affiliated with Rajiv Gandhi Proudhyogiki Vishwavidyalaya (RGPV), Bhopal, and approved by the All India Council for Technical Education (AICTE), New Delhi. With a comprehensive curriculum and hands-on training, our program equips students with the technical expertise and practical skills required to excel in the field.

## Exceptional Placement Track Record

Our alumni have secured placements in esteemed organizations, including:

- Shapoorji Pallonji
- Reliance Industries
- Vedanta
- Indian Oil Corporation Limited (IOCL)

With a dedicated placement cell and robust industry partnerships, we provide comprehensive career support, ensuring our students achieve their professional goals.

## State-of-the-Art Infrastructure

Recognizing the critical role of practical training, we have invested in advanced laboratories and facilities, including:

- Modern firefighting equipment
- Simulation tools for fire and safety scenarios
- Specialized labs for fire risk assessment and control

These resources provide students with a solid foundation in fire technology and safety engineering.

## Join Us for a Transformative Educational Experience

At Vikrant Institute of Technology and Management, Indore, the Department of Fire Technology and Safety Engineering is dedicated to nurturing skilled professionals who are equipped to tackle the challenges of fire safety and risk management.

# DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

## Why Electronics & Communication Engineering

Electronics and Communication Engineering is at the heart of technological advancements, offering vast career opportunities in telecommunications, embedded systems, VLSI design, & wireless communication. This field plays a crucial role in global connectivity, digital innovation, and smart technology solutions.

### We offer:

- B.Tech in Electronics & Communication Engineering
- M.Tech in Electronics & Communication Engineering

### Why Choose Vikrant?

- **Expert Faculty:** Our experienced faculty provide in-depth knowledge and hands-on training in electronic circuits, microprocessors, signal processing, and embedded systems.
- **Advanced Labs:** Equipped with modern testing and design tools, our labs offer practical exposure to real-world applications.
- **Industry-Driven Curriculum:** The program focuses on theoretical foundations & practical applications, ensuring students are industry-ready.
- **Industrial Visits:** Exposure to top companies enhances practical learning & industry awareness.

## DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

### About the Department of Electrical & Electronics Engineering

The **Department of Electrical and Electronics Engineering** at **Vikrant Institute of Technology and Management, Indore**, is dedicated to delivering high-quality education and fostering innovation.

We offer:

- **Diploma in Electrical and Electronics Engineering (3-year Polytechnic Program)**
- **B.Tech in Electrical and Electronics Engineering (4-year Program)**

Our programs, affiliated with **Rajiv Gandhi Proudyogiki Vishwavidyalaya (RGPV), Bhopal**, and approved by **AICTE, New Delhi**, combine strong theoretical foundations with practical exposure to prepare students for successful careers.

### Why Join Vikrant's EEE Department?

- **Industry-Oriented Curriculum:** Designed with inputs from industry experts, our courses emphasize hands-on training, workshops, and real-world projects to keep students at the forefront of technological advancements.
- **Excellent Placement Record :** Our graduates have secured positions in top companies like TCS, Infosys, Wipro, L&T, Reliance, Mahindra & Mahindra, LTI, and Siemens India, thanks to our dedicated placement cell.
- **Expert Faculty :** Our experienced faculty members mentor students, providing academic excellence and industry insights for holistic development.
- **State-of-the-Art Infrastructure :** With well-equipped laboratories, modern electrical systems, and advanced electronic testing equipment, students gain hands-on experience essential for career success.
- **Research and Innovation:** We encourage students to engage in research projects, workshops, and seminars to explore emerging technologies and contribute to advancements in the field.

## DEPARTMENT OF CIVIL ENGINEERING

The **Department of Civil Engineering** at Vikrant Institute of Technology and Management, Indore, offers an exceptional platform for aspiring civil engineers. Located near the industrial hub of Pithampur, our institute provides a dynamic learning environment, aligning with Indore's rapid urbanization and infrastructure growth.

Civil Engineering is the foundation of modern society, shaping cities, transportation, and sustainable infrastructure. At Vikrant, we equip students with in-depth knowledge and practical skills in structural engineering, transportation, geotechnical engineering, and environmental sustainability.

### Why Choose Vikrant?

- **Industry Exposure:** Regular industrial visits to leading companies and live project sites enhance practical learning.
- **Specialized Training:** Hands-on experience with AutoCAD, STAAD. Pro, Primavera, and other industry-relevant tools.
- **Placement Opportunities:** Strong ties with top construction firms, government agencies, and MNCs ensure excellent career prospects.

Offering Diploma, B.Tech, and M.Tech programs, Vikrant prepares students for a rewarding career in Civil Engineering, blending technical expertise with real-world problem-solving. Join us and be part of a future-driven learning experience!

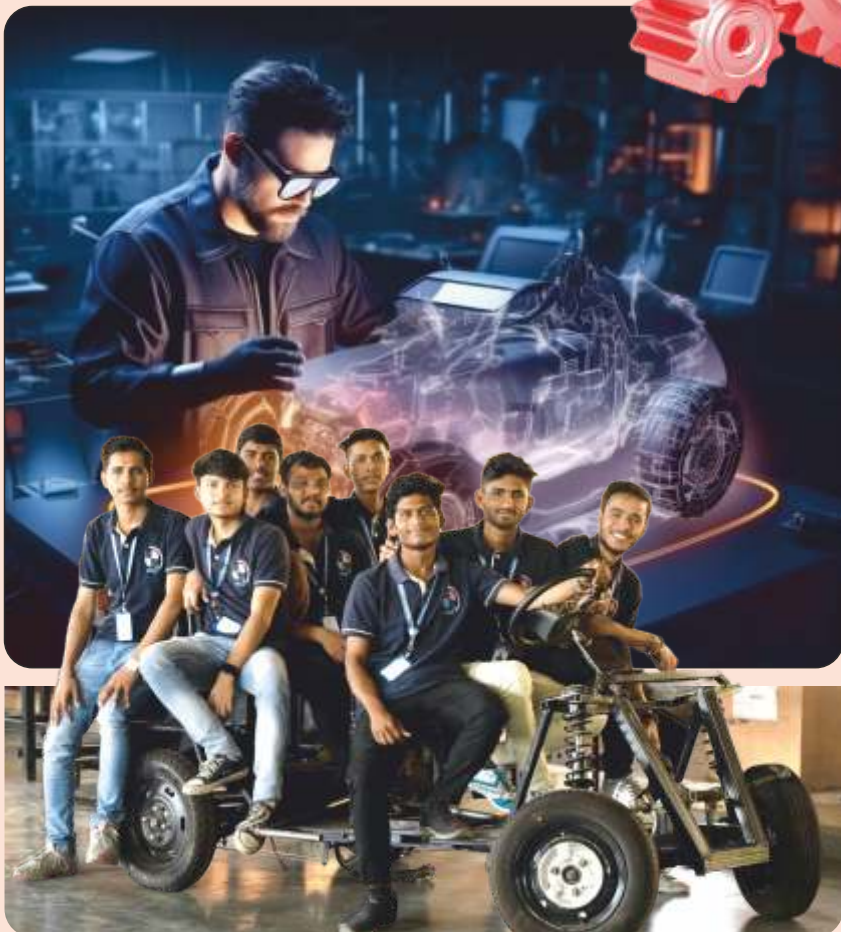

## DEPARTMENT OF MECHANICAL ENGINEERING

### Why Choose B.Tech in Mechanical Engineering?

Are you fascinated by machines, engines, and advanced manufacturing? Do you dream of designing innovative solutions that shape industries? A B.Tech in Mechanical Engineering from Vikrant Institute of Technology and Management, Indore, provides a strong foundation in core and emerging mechanical engineering fields, preparing you for a successful career in this dynamic sector.

### Why Choose Vikrant's Mechanical Engineering Department?

- **Innovation in Engineering Projects :** Our students have successfully designed and developed a Cricket Pitch Roller as a major project, showcasing their ability to work on real-world mechanical engineering challenges. Additionally, they have built E-Vehicles, including E-Bikes, E-Cycles, and E-Carts, winning First Prize at the National Kart Racing Championship (NKRC), demonstrating their technical excellence.
- **Industry-Relevant Curriculum :** Designed with industry experts, our curriculum integrates automation, mechatronics, and sustainable manufacturing, keeping students job-ready.
- **State-of-the-Art Infrastructure :** Our advanced labs and workshops include CNC machines, CAD/CAM software, 3D printing, and robotics, providing hands-on experience.
- **Strong Placement Support :** Our graduates have secured positions in top companies like: Tata Motors, Mahindra & Mahindra, L&T, Ashok Leyland, Maruti Suzuki, Bajaj Auto, TVS Motor

# PHARMACY & SCIENCE

**Dr. Ankur Jain**  
Principal,  
Vikrant Institute of Pharmacy  
& Science, Indore

## MESSAGE FROM THE DESK OF PRINCIPAL

Dear Students, Parents, and Esteemed Stakeholders,

Welcome to Vikrant Institute of Pharmacy and Science, a center of excellence dedicated to shaping the future of pharmaceutical education and research. At our institution, we believe in fostering a dynamic learning environment where academic knowledge seamlessly integrates with practical applications, ensuring our students are well-prepared for the evolving healthcare landscape.

With state-of-the-art laboratories, a research-driven curriculum, and strong industry collaborations, we empower our students with the skills, innovation, and ethical values needed to excel in the pharmaceutical sector. Our dedicated faculty members, industry-aligned programs, and hands-on training opportunities provide a strong foundation for both academic and professional success.

At Vikrant, we emphasize holistic development, research excellence, and career readiness, equipping our graduates to become leaders in the pharmaceutical and healthcare industries. We are also committed to enhancing students' professional growth by promoting evening job opportunities, allowing them to gain valuable industry exposure while continuing their education. This initiative helps bridge the gap between academics and real-world experience, preparing students for a competitive job market.

I invite you to be a part of this transformative journey and join us in our mission to advance pharmaceutical sciences for a healthier world.

Best Regards,

## DEPARTMENT OF PHARMACY

### About

Vikrant Institute of Pharmacy and Science, Indore, is a premier institution dedicated to shaping the future of pharmaceutical education and research. Our institute is committed to providing high-quality education, state-of-the-art infrastructure, and industry-oriented training to produce competent pharmacy professionals. Affiliated with Rajiv Gandhi Proudyogiki Vishwavidyalaya (RGPV), Bhopal, and approved by the Pharmacy Council of India (PCI), New Delhi, Vikrant Institute of Pharmacy and Science offers an academic environment that fosters learning, innovation, and excellence in the field of pharmaceuticals.

We focus on a holistic approach to education, integrating theoretical knowledge with practical exposure through well-equipped laboratories, industrial visits, research opportunities, and hands-on training. Our experienced faculty members, industry collaborations, and emphasis on research and development ensure that students graduate as skilled professionals, ready to contribute to the healthcare sector.

### Why Choose B.Pharm from Vikrant?

At Vikrant Institute of Pharmacy and Science, we believe in nurturing students into proficient pharmacists equipped with both technical expertise and ethical values.

## DEPARTMENT OF PHARMACY

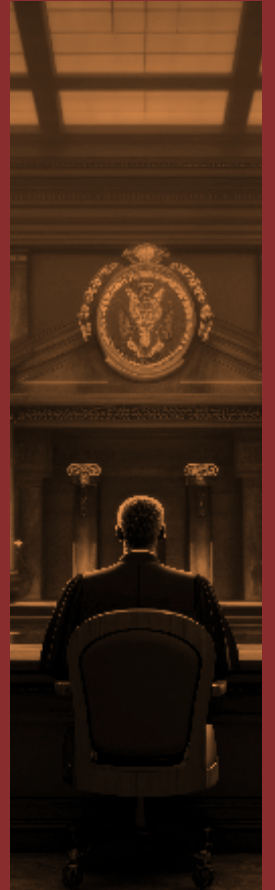

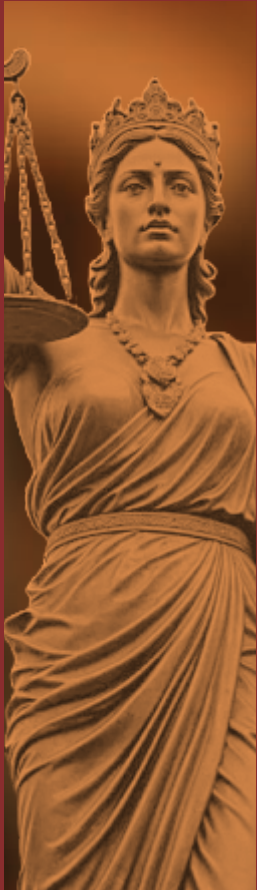

### Core Values of Vikrant Institute of Pharmacy & Science

At Vikrant Institute of Pharmacy and Science, our educational philosophy is deeply rooted in the following core values:

- Academic Excellence
- Innovation & Research
- Integrity & Ethics
- Student-Centric Approach
- Community Service
- Collaboration & Leadership

# LAW

# DEPARTMENT OF LAW

## ABOUT VIKRANT INSTITUTE OF LAW

Vikrant Institute of Law, Indore, is a premier institution dedicated to shaping the future of legal professionals. With a commitment to academic excellence, practical learning, and ethical values, the institute provides an ideal environment for aspiring legal minds to excel in the field of law. Our highly qualified faculty, industry-aligned curriculum, and state-of-the-art infrastructure ensure a holistic legal education, empowering students with the knowledge, skills & confidence to lead in the legal profession.

### Courses Offered

- **LL.B** (Hons.) (Bachelor of Laws) - 3 Years
- **B.A. LL.B** (Hons.) (Integrated) - 5 Years

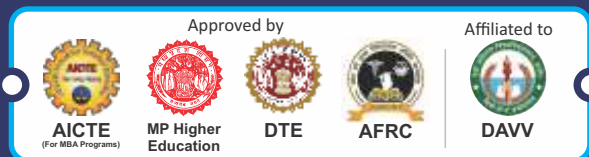

### Why Choose us

- BCI-Approved Programs
- Moot Court Training
- Legal Aid & Internship Programs
- Experienced Faculty
- Library & Research Center
- Workshops & Guest Lectures
- Skill Development & Placement Assistance

# MANAGEMENT

**Dr. Maanish Chava**

Principal  
Vikrant Institute of Integrated  
& Advanced Studies, Indore

## MESSAGE FROM THE DESK OF PRINCIPAL

On behalf of entire Vikrant Group of Institutions, (VGI) Indore community, I extend a warm welcome to you as you embark on a journey of transformative learning and professional growth. We will be thrilled to have you join our institution, a place where ambition meets opportunity, and where future leaders are forged.

Our institute is more than just a place of education; it's a vibrant ecosystem of learning, innovation, and collaboration, thereby creating leadership through learning. We are committed to provide relevant curriculum, taught by experienced faculty who are passionate about sharing their knowledge and expertise.

We believe in the power of experiential learning, which is why we offer a wide range of opportunities for students to engage with real-world challenges through field work, case let, case studies and different modes of Industry Institute Interaction.

Beyond academics, we foster a strong sense of community and encourage students to develop their leadership potential through extracurricular activities, student organizations, and mentorship programs.

We are confident that your time at VGI's Vikrant Institute of Integrated and Advanced Studies will be a transformative experience, equipping you with the skills, knowledge, and values to make a meaningful impact in the world of business and beyond. We are excited to see what you will achieve and look forward to supporting you on every step on your way.

Our campus is enriched not only in terms of infrastructure, clean and green environment, but also with the relentless efforts and support of Board of Directors and the Management of VGI. Due to their dynamic, versatile and visionary leadership, we will definitely reach the zenith in the near future.

"Welcome to the VIAS family! Looking forward to see you growing."

## DEPARTMENT OF MANAGEMENT & COMMERCE

### About the Management & Commerce Department at Vikrant

The Department of Management & Commerce at Vikrant Institute of Integrated and Advanced Studies, Indore, is dedicated to developing future business leaders and financial professionals. With a focus on academic excellence, practical exposure, and industry-oriented learning, our

programs provide students with the knowledge, skills, and ethical values required for success in the corporate world. Our experienced faculty, modern infrastructure, and strong industry connections make Vikrant the ideal choice for management and commerce education.

# MBA

- Ability to enhance marketability,
- Build leadership skills and competency
- Create a strong professional network
- Leading to increased job opportunities
- Higher earning potential.
- Comprehensive business education.
- Focus on problem-solving and decision-making.

# BBA

**Bachelor of Business  
Administration (BBA) – 3 Years**

- **Industry-Oriented Curriculum** – Aligned with the latest business and financial trends.
- **Internship & Placement Support** – Hands-on training with reputed companies.
- **Practical Learning Approach** – Case studies, business simulations, and industrial visits.
- **Entrepreneurial Development** – Startup mentorship and business incubation support.
- **Workshops & Expert Lectures** – Sessions by industry leaders, corporate trainers, and academicians.
- **Global Exposure** – International collaborations and student exchange programs.
- **Skill Enhancement & Certifications** – Additional courses in digital marketing, stock trading, data analytics, and business communication.

# B.Com.

- To provide a strong foundation in accounting, taxation, and finance.
- To develop analytical and problem-solving skills for business environments.
- To prepare students for professional courses like CA, CS, and MBA.

## Core Values of Vikrant

- **Integrity & Ethics** – Encouraging responsible business practices and professional conduct.
- **Innovation & Leadership** – Fostering creativity, critical thinking, and decision-making.
- **Excellence in Education** – Delivering quality education with a student-centric approach.
- **Industry Connect** – Bridging the gap between academia and the corporate world.
- **Holistic Development** – Promoting academic, professional, and personal growth.

# NURSING & SCIENCE

**Prof. Dr. Keshkali  
Sharma**  
Principal  
Vikrant Institute of Nursing  
and Science, Indore

## MESSAGE FROM THE DESK OF PRINCIPAL

Dear Learner,

You are heartily welcome at Vikrant Institute of Nursing and Science Indore a place which follows highest standard of nursing education. I as a principal of the college personally feels that any corner of the students personality should not left untouched, over all development of our students personality is the essence of their life. Proper training and quality education will help the students to compete with ever changing world of medical field, value of education make them to realize value of life.

Our aim is to sensitize the aspirant about their financial growth along with professional growth .Every students are prepared here in such a manner to meet the challenges of future and catch opportunity. Basic principles of our college are dedication, determination, punctuality, honesty and discipline among the students. I personally believe that discipline is the back bone of life. A disciplined person can do anything in life.

## DEPARTMENT OF NURSING & SCIENCE

### INTRODUCTION

Vikrant Group of institution was started in the year 2007 under the aegis of P.S. education and welfare society with college of engineering and management, new venture in the field of serving mankind through “Vikrant institute of nursing and science” was started in the year 2018- 19 with annual intake of 30 students. Main aim of the college is to serve the society and needy people by maintaining world class standards in the field of nursing.

### ABOUT NURSING AT VIKRANT

- Nursing is a profession which deals with sufferings of mankind, it is a profession within the health care sector focused on the care of individuals, families, and communities so they may attain, maintain, or recover optimal health and quality of life.
- Relationship of a nurse with patient goes beyond the death of the patients means we produce human resources for holistic health care services.

### VISION

- Vision of the Institute is to generate, transfer knowledge in Nursing by developing highest skilled nurses who can demonstrate world class standard in serving mankind.

### PHILOSOPHY

- Philosophy of institution is “leadership through learning” it means concept of learning is based on producing capable professionals who can uphold the standard of Nursing and can contribute to society and entire Nation.

### OBJECTIVE OF NURSING AT VIKRANT

- The objective of nursing course is not only to impart education but also to build up the character of the students and transform them into better human beings.
- The students are, therefore, expected to observe proper discipline in their conduct during the entire period they spend with the college.

# INFRASTRUCTURE WITH FACILITIES

Vikrant Group of Institutions, Indore, offers a state-of-the-art campus designed to provide a dynamic and enriching learning environment. The vast library serves as a knowledge hub with a rich collection of books, journals, and digital resources. The advanced computer labs are equipped with modern technology, enabling students to enhance their technical skills through hands-on learning. Additionally, Centers of Excellence foster research, innovation, and industry collaborations. The green campus, with its eco-friendly initiatives and wide roads, ensures a serene and accessible learning atmosphere. The spacious canteen provides hygienic and nutritious meals, while the fully equipped workshops offer practical exposure to technical concepts.

Advanced classrooms with smart boards and air ventilation systems create an interactive and comfortable academic space.

Vikrant features world-class auditoriums and seminar halls, including Vivekananda Hall, Dronacharya Hall, and Chanakya Hall, for guest lectures, conferences, and cultural events. The expansive sports grounds encourage students to participate in cricket, football, Badminton, Volleyball, and other indoor and outdoor games. With cutting-edge infrastructure and a commitment to academic excellence, Vikrant provides a transformative learning experience that prepares students for future success.

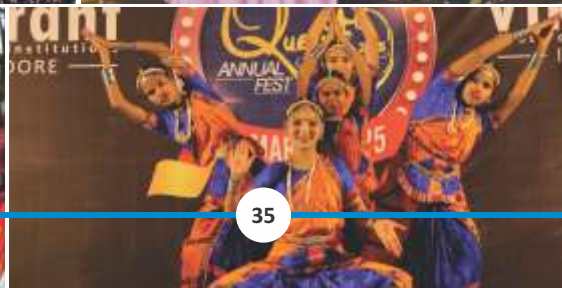

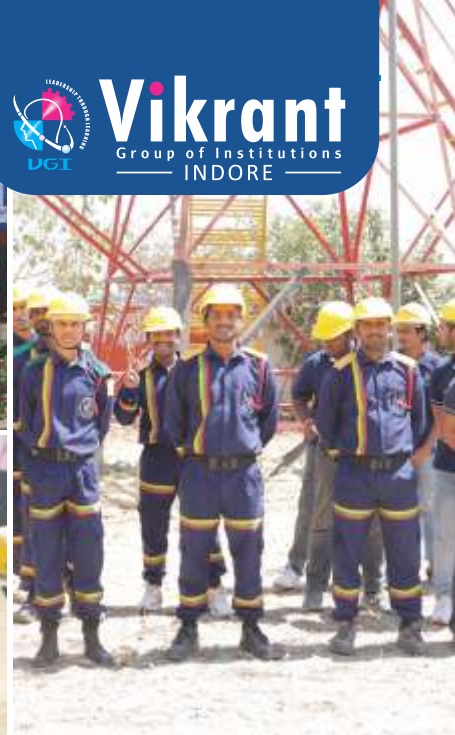

# LIFE AT VIKRANT

Life at Vikrant Group of Institutions, Indore, is a vibrant mix of academics, innovation, and cultural activities. With modern infrastructure, advanced labs, and industry-oriented training, students receive a well-rounded education. The annual cultural fest QUEURTH showcases talent in music, dance, drama, and literary events, while the tech fest ATHENA fosters innovation through hackathons, robotics, and coding competitions. Various student clubs like the Innovation Club, Skill & Startup Club, Cultural Club, Media Club, and Literature Club provide platforms for creativity and leadership. Sports facilities for cricket, football, basketball, and indoor games promote fitness and teamwork. Regular guest lectures, industrial visits, and workshops enhance practical learning. The Training & Placement Cell ensures career guidance and recruitment opportunities with top companies. A lively and engaging campus environment helps students develop both personally and professionally. Vikrant shapes not just careers but also confident, responsible individuals. Join Vikrant – Where Learning Meets Excellence!

## SEVERAL ACCOLADES

Vikrant Group of Institutions stands as a beacon of educational excellence, adorned with numerous accolades. Our esteemed faculty, dedicated staff, and talented students have collectively earned prestigious awards, reflecting the unwavering commitment to our educational mission. These accolades serve as a testament to the outstanding contributions made by the Vikrant community in shaping future leaders and fostering a culture of academic brilliance.

## AMAZON WEB SERVICES LEARNING & CERTIFICATION CENTRE

*Let's Begin The Journey to Learn Amazon Web Services*

Vikrant Group of Institutions, feels immense pleasure to announce that we have partnered with Amazon Web Services to become its authorised learning and certification center, where we will be bridging the skills gap for youth and empower them with the resources they need to succeed.

Amazon Web Services Certification is an opportunity for all the students which gives professional advantage by providing globally recognized and industry-endorsed courses And help them to craft a successful career path. So let's walk together on the path of success and achieve your goal.

## APPROVED NSDC TRAINING PARTNER

National Skill Development Corporation (NSDC) is a public private partnership company with the primary mandate of catalyzing the skills Landscape in India.

"We provide value added certification courses in various skills through NSDC which help our students to gain an extra edge. We are providing trainings in the following Skill Sectors-

- Automotive
- Construction
- Electronics & Hardware
- Capital Goods
- IT-ITes
- Management & entrepreneurship...
- and many more.

Placement Partner

Confederation of Indian Industry  
 125 Years - Since 1895  
**Get Placement Opportunities in**

**6000+**  
**Companies**

We are proud to announce that we are the first institute in MP to get into a placement partnership with CII (Confederation of Indian Industry) which is the biggest business association in the country. This partnership enables our students to get placement opportunities in 6500+ companies which are members of CII.

## V-CONNECT (E-MAGZINE)

Nurturing creativity and inspiring innovation are two of the key elements of a successful education, and a college magazine is the perfect amalgamation of both. It harnesses the creative energies of the academic community, and distils the essence of their inspired imagination in the most brilliant way possible. In today's world of smart phones and internet, eco-friendly initiatives are not just a matter of vogue but a dire need towards sustainability. With this vision in mind, the editorial team came up with the concept of publishing an E-Magazine that not only provide a creative platform to our students, but also portrays our commitment to save our ecology. V-connect is the quarterly College E-Magazine published to showcase the talents of Vikrantians through literary or artistic contributions in the form of articles, poems, sketches, photography and other creative expressions. It also features rank holders, academic and non-academic achievers along with alumni. Another featured section of the magazine provides updates and news regarding events at the college. It is a one stop information portal for Vikrantian.

## NCC NATIONAL CADET CORE

At Vikrant Group of Institutions, we firmly believe that leadership is an essential skill for personal and professional growth. Our NCC program provides an enriching platform for students to develop exceptional leadership qualities through various training modules, including drill exercises, physical fitness training, and group activities.

These activities foster teamwork, communication skills, and a sense of responsibility among our cadets. We are proud to house the esteemed Center of National Cadet Corps (NCC) 2MP R & V. Our institution recognizes the importance of instilling discipline, leadership, and patriotism in the youth of today, and the NCC plays a pivotal role in achieving this goal.

# STUDENT TESTIMONIALS

**Arpit Patidar**  
**B.E. Civil**  
**(2008–2012)**

"Building my career at VITM, Indore truly enriched my life. I can confidently say that my future has been shaped by the strong foundation I received here. I am deeply grateful to every faculty member of the Civil Engineering Department, College of Infrastructure, for their unwavering support and commitment."

**Hardik Gaur**  
**B.E. Civil**  
**(2017–2021)**

"I thank my institution and the professors of the Civil Engineering Department for their constant encouragement and support. During my graduation, they continuously challenged and inspired me to be better and more creative in my projects. Because of their guidance, I now have the confidence to tackle any problem."

**Husain Matakawala**  
**B.E. Civil**  
**(2016–2020)**

"I can positively say that my institute, VITM, Indore, and the Department of Civil Engineering have made me a better person. The journey here helped me develop a positive attitude towards my studies and allowed me to discover more about myself. The teachers are genuinely caring and deeply invested in students' well-being. They ensure that every class is not just educational, but also interactive and enjoyable."

**Aditya Kumar Gochhayat**  
**Diploma – EE & EX**  
**(2022–2025)**

"My journey at Vikrant Institute of Technology and Management has been truly transformative. Joining the Diploma in Electrical and Electronics Engineering was one of the best decisions, giving me a strong academic foundation & numerous opportunities to grow. The dedicated faculty, practical projects, and industry exposure helped shape my confidence, skills, and mindset."

**Arpit Bhargav**  
**B.Tech – EE & EX**  
**(2021–2025)**

"As a final-year student of B.Tech (Electrical & Electronics) at Vikrant Institute of Technology and Management, I can proudly say that my journey here has been transformative. The college has not only provided a strong academic foundation but also ample of opportunities for hands-on learning through practical labs, workshops, and industrial training."

**Chandni Sharma**  
**B.Tech – CS**  
**(2019–2023)**

"My journey in the field of Computer Science began with my B.Tech at Vikrant Institute of Technology, where I built a strong foundation in technical concepts and problem-solving skills. The supportive faculty and hands-on learning environment played a vital role in shaping my academic path. Currently, I am pursuing my M.Tech in Computer Science, and this transition has further broadened my perspective."

# STUDENT TESTIMONIALS

“

**Gajendra Verma**  
**B.Tech – EC**  
**(2018–2022)**

“My experience at the college was not just educational but truly empowering. During my B.Tech in Electronics and Communication Engineering (2018–2022), I had the opportunity to work on innovative projects like a mini 3D-printed drone, an EV battery safety system, and a Mars rover model.

”

“

**Rajat Girune**  
**B.Tech FT & SE**  
**Batch: 2017-2021**

“VITM's approach to learning was key to my success. The focus on practical knowledge through internships and workshops provided me with a well-rounded understanding of my field. The dedicated Training and Placement Cell ensured that we were fully prepared for the challenges of the industry, and I am proud to be an alumnus of this institution that laid the foundation for my successful career.”

”

“

**Kashmita Chouhan**  
**B.Tech – CS**  
**(2019–2023)**

“My time at Vikrant Institute of Technology and Management has truly been a turning point in my life. Pursuing my M.Tech in Computer Science here gave me much more than just academic knowledge—it gave me confidence, clarity, and a sense of direction. The professors were always approachable and motivated us to think beyond textbooks.

”

“

**Sonu Kushwaha**  
**B.Tech FT & SE**  
**Batch: 2018-2022**

“I am truly thankful to the faculty and staff at VITM for their unwavering support throughout my academic journey. The knowledge and guidance I received during my B.Tech in Fire Technology were invaluable. The faculty's dedication to helping students understand the core concepts and their continuous encouragement gave me the confidence to tackle the professional challenges I now face.”

”

“

**Rohit Tiwari**  
**B.Tech - FT & SE**  
**Batch: 2017-2021**

“My time at Vikrant Institute of Technology and Management was an enriching experience. The emphasis on holistic development, both academic and personality-wise, prepared me to face the real-world challenges confidently. The exposure and guidance I received during my time here helped me excel in the placement interviews, and I am grateful for the mentorship I received, which continues to support my career growth.”

”

“

**Jivesh Choubey**  
**B.Tech FT & SE**  
**Batch: 2018-2022**

“VITM provided me with an environment that encouraged both academic and practical excellence. The state-of-the-art infrastructure, particularly the Fire Lab, was an essential part of my learning experience. The knowledge I gained through practical projects and training has been incredibly useful in my professional life. I am proud to be a part of this esteemed institution.”
