September 2025 was packed with vibrant festivals and significant events at VIKRANT GROUP OF INSTITUTIONS, INDORE. It's typically the official start of the academic year and the welcoming of freshers, the activities focus heavily on Integration, inspiration and celebration. The celebration of Teachers Day was pioneering the vital roles a teacher's plays in the society, by shaping the minds and future of students with unlimited fun. Games, Cultural Programs and Activities organised by the students. The syllabus has been distributed; the targets were set. Let the pursuit of excellence begin. Remember, a dream written down with a date becomes a goal!" With the academic year starting now, let's pledge to make this a year of unparalleled one

**EDUCATION IS THE MOST IMPORTANT,
WHICH YOU CAN USE TO CHANGE THE WORLD.**

- Nelson Mandela

TEACHER'S DAY CELEBRATION .

5th September 2025

The celebration began with a special wishes that highlighted the vision of Dr. Radha krishnan, India's second President and an exemplary teacher. In his address, he reminded the students that Dr. Radha krishnan, when requested by his students to celebrate his birthday, suggested observing it as 'Teachers' Day' to honour the entire teaching profession. This historical context set a deeply respectful tone for the day's events. A highlight of the day was the traditional celebration in all the Institutes of VGI, Indore where senior students stepped into the shoes of their beloved teachers. appreciation of the dedication, patience, and preparation that goes into the noble profession of teaching. The faculty members, meanwhile, enjoyed a day of appreciation.

B.Sc NURSING INDUSTRIAL VISIT

6th September 2025

Nursing final year students industrial visit was organized at Jupiter Vishesh hospital Indore, with the purpose of understanding and getting an insight about corporate health culture and kind of health services are being rendered, we are so Greatful to director and Nursing superintendent and Ms. Spmi Abraham for granting the permission, and sparing valuable time with us we are also grateful to our management for providing all nece ssory support to us.

ANANT CHATURDASHI- LAST DAY OF FESTIVAL

6th September 2025

The air, thick with the scent of camphor and modak, and vibrant with the thunder of dhol-tasha, marks the grand finale of the ten-day Ganeshotsava festival: Ganesh Visarjan. More than just a ritual of idol immersion, this event is a profound spiritual teaching, a massive cultural spectacle, and an emotional farewell that unites millions of devotees across India. LORD GANESHS'S VISARIJAN. The cultural committee of Vikrant group of Institutions organised a Visarjan ceremony and a Bhandara was followed by the immersion of the Idol.

EXPERT SESSION ON FLUTTER TECHNOLOGY .

8th September 2025

Mobile App Development with Flutter Technology Department of CSE & IT successfully organized a Seminar on Mobile App Development with Flutter Technology, conducted by Industry Expert & Trainer Mr. Arvind Choudhry from HCL Academy, Indore, exclusively for our CSE & IT students at Vikrant Institute of Technology and Management, Indore.

NCC TRAILS .

9th September 2025

The NCC trials are not merely a weeding-out process; they are the first lesson in the organization's ethos. The rigor of the selection process signals to the aspirants that joining the NCC is a three-year commitment to discipline, training, and selfless service. Those who clear these trials do not just get a uniform; they gain a pathway to holistic personality development, a chance to attend prestigious national camps like the Republic Day Camp (RDC), and a preference in recruitment for the Armed Forces. The successful enrollment of the new batch of cadets at Vikrant Group of Institution is a testament to the enduring appeal of the NCC's mission to shape future leaders and serve the nation. The hard work begins now, as these young cadets from all the institutions of Nursing , Engineering , Pharmacy and Management were selected and are prepared to live up to the NCC's core values—a commitment to character and nation-building.

CONCRETE DAY CELEBRATION.

9th September 2025

The Civil Engineering Department enthusiastically celebrated Concrete Day , One day workshop on “Concrete Today and Tomorrow” in the 21st Century Challenges and Innovations “was organized by the Department of Civil Engineering, VITM,Indore 9th Sep-2025 As a Concrete Day Celebration. The First Theoretical technical session was delivered by Mr. Dharmendra Kurmi on the topic Concrete Mixed Design. In which they discuss about different concrete Mixture, their utility in different places. Over 54 student participants attended the program and enrich their knowledge. with a theory session on the significance, properties, and sustainability of concrete, followed by a practical session on mix preparation, testing, and demonstrations. The session was demonstration of practical aspect of Concrete Mix Design in Laboratory of Civil Engineering Department; Students were understand and performed on hand experience of Concrete Mix Design under the guidance of expert of Mr. Dharmendra Kurmi.This workshop was very much knowledge sharing for students in the presence of experience industrial fraternity. Students were benefitted a lot in term of on hand practice for concrete mix design and related experimental work in laboratory.

FTSE VISIT AT CAPARO ENGINEERING

11th September 2025

Department of Fire Technology & Safety Engineering,VITM, Indore organized an Industrial Visit at Caparo Engineering India Ltd Stamping Division Pithampur Indore (M.P) A total of 27 Students visited the Plant and the visit was well Coordinated by Prof. Shekhar Choudhary and Dr. Sandeep Yadav . Visit Outcomes- The first process students learnt about was the *Pressing Machine, which is used to shape and form metal sheets into required components with high precision. Next, we studied the **Welding Machines, which play a vital role in joining parts to create strong assemblies. We were also introduced to the **CNC Laser Machine, which uses computer-controlled laser cutting for accuracy in shaping complex designs. Along with this, the **Plasma Cutting Machine* was demonstrated, which is used for cutting thick metal sheets efficiently. CAPARO manufactures a wide range of automotive parts for leading companies like *Eicher, Tata, and other major manufacturers of tractors, buses, trucks, and cars*. Overall, the industrial visit to CAPARO was highly informative, as it enhanced our practical knowledge about automobile component manufacturing and the importance of modern machines in the industry. Our special thanks to Mr. OM Narayan {Senior HR Manager} , Mr. Mohan Singh {Sr. Safety Officer} and Administration

CELEBRATING HINDI DIWAS 2025: A LECTURE ON 'GLORIOUS INDIA'

11th September 2025

The celebration was graced by: Chief Guest: Dr. Rajesh M. Borade, Professor, MCTE, Mhow Guest of Honour: Er. Hemant Kumar Bawne, Mechanical Engineer, Ojas Engineering Equipment Guest of Honour: Ms. Megha Agrawal, Academic Alliance Head, TCS Indore.

INTERNSHIP ON FLUTTER.

16th September 2025

30-Day Internship on Flutter Technology, organized by the Department of CSE & IT in collaboration with HCL Digital Learning, Indore, has been successfully started at VITM Indore. Trainer: Ms. Kanchan Panday (Sr. Mobile App Developer, HCL Indore). Hands-on sessions successfully commenced, providing students with valuable exposure in cross-platform mobile app development.

WORLD OZONE DAY .

16th September 2025

On the occasion of International Day for the Preservation of the Ozone Layer , the institute of VIAS and VIL organised a quiz competition in accordance to preserve the Global Cooperation to Protect Life on Earth , the students with much zeal and enthusiasm took participation in the activity understanding the importance of the Ecosystem and their role and responsibility towards the environment .

SUCCESSFULLY CONDUCTED AWARENESS AND ORIENTATION SESSION ON INNOVICK

16th September 2025

A Special Session Was Organized For all B. Tech students of all branches at Vikrant Institute of Technology and Management, Indore to orient them about INNOVICK HACKATHON 5.0 (2025). The session highlighted the following key points: Registration Process, Problem Statement Selection, Team Formation, Solution Framework Design. The session aimed to encourage innovation, creativity, and teamwork among students, prepared them to actively participate in the hackathon.

LORD VISHWAKARMA JAYANTI PUJAN

17th September 2025

With hearts full of devotion, VITM , INDORE successfully celebrated Vishwakarma Jayanti Pooja , seeking that Lord Vishwakarma – the divine creator – blesses us with innovation, wisdom, and success in every endeavor . This occasion inspired Faculty and students to walk in the path of knowledge, creativity, and progress with faith and dedication.

ROBOTICS WORKSHOP

18th September 2025

The One Day Hands-On Workshop on Robotics in collaboration with Techfest IIT Bombay & Pi-Tech India has been successfully conducted at Vikrant Institute of Technology & Management, Indore! Expert session by Mr. Ravi Yadav (Founder & Director, Pi-Tech & Pitronix Pvt. Ltd.) gave students practical exposure to the world of Robotics & Innovation. Students explored cutting-edge technologies, gained hands-on learning, and unlocked new opportunities for the Future of Technology.

FDP ON RESEARCH PUBLICATION AWARENESS.

19th September 2025

Successfully Conducted! Faculty Development Program (FDP) on Awareness Regarding Publication, Scientific Writing & Publication Ethics . The VGI, Indore was Honoured to have Ms. Ashvi Jain, Founder & Publisher – Twisting Memoirs Publication (TMP), Indore, as our Guest of Honour . The session enriched our faculty with valuable insights on research, writing skills & ethical practices in academic publishing.

B.TECH 1 YR. FIRE STATION VISIT .

19th September 2025

The Department of B.Tech 1st Year organized an educational visit to the Fire Station, Kila Maidan, Indore for the students of B.Tech 1st Year. Nearly 80 students participated with great enthusiasm in this informative and practical learning experience.

- The visit provided the students with several educational insights, which are as follows:
- Understanding the functioning and daily operations of the fire station.
- Learning the importance of fire safety measures in preventing accidents.
- Exposure to modern firefighting equipment and its real-world applications.
- Observing the dedication, discipline, and teamwork of fire officers.
- Gaining practical knowledge about handling emergency situations effectively.
- Developing awareness about personal and community safety practices.

The visit to the fire station was a valuable learning experience for the BTech 1st-year students. It provided them with practical knowledge and insights into fire safety, prevention, and emergency response procedures. The students found the visit highly beneficial as it not only enhanced their theoretical knowledge but also gave them practical exposure that will support their academic journey and personal growth.

MOCK DRILL BY FTSE STUDENTS .

20th September 2025

The students of FTSE department conducted a mock drill for the staff and faculty members of VGI , Indore . The students demonstrated the safety skills and measures, usage of fire Extinguisher amongst the Working Class.

LPG SAFETY TRAINING

20th September 2025

The Department of Fire Technology and Safety Engineering recently organized a safety Awareness program under the Disaster management Rule 2006 LPG safety Training.

Mr. Santosh Rupwate, Manager at Das Gas Safety Equipment Private limited Indore.

Deaprtment of Fire Technology and Safety Engineering department provided both theoretical knowledge and practical demonstrations. The LPG safety awareness session seems particularly important, given how dangerous gas leaks can be. It's good to know they also introduced tools to detect gas leakage and emphasized the safety measures to minimize hazards. The fire drill in the second half must have been valuable too. It's essential that everyone, from staff to security Guards bus drivers, knows how to handle emergencies. Understanding the different types of fire extinguishers and how to use them effectively, as well as learning proper methods for carrying casualties, can make all the difference in saving lives during a fire emergency. CPR training also seems like an essential skill to have on hand.

VINS HEALTH CAMP.

21st September 2025

The students of VINS , Indore participated in a health camp organised by the Mewara Hospital, Mhow at Uttam garden . Symbolising the importance of the health care facilities and role and responsibilities of a health care worker in the field of health care sector.

PRELIMS ROUND FOR SIH GRAND FINALE

22nd September 2025

Vikrant Institute of Technology & Management, Indore Successfully Organized Internal Hackathon – Prelims Round for SIH Grand Finale 2025. A total of 15 teams participated in this Hackathon. Out of these, the Top 7 Teams were selected to submit their ideas for SIH 2025. Smart India Hackathon 2025: A Platform for Innovation and Problem-Solving. The Smart India Hackathon (SIH) 2025 is a nationwide initiative launched by the Ministry of Education's Innovation Cell and AICTE to promote innovation, creativity, and problem-solving skills among Indian students. This hackathon provides a platform for students to work on real-world problems faced by government ministries, departments, and private organizations.

B. PHARMACY INDUSTRIAL VISIT:

22nd September 2025

Students of pharmacy visited Morden Laboratory, where they gained valuable practical exposure to key areas of pharmaceutical manufacturing: Tablet Preparation Unit – Observed the complete process of tablet formulation and production. Liquid Filling Section – Learned about advanced techniques and equipment used for filling liquid dosage forms. Packaging Department – Understood labeling, sealing, and packaging methods ensuring product stability and patient safety. Microbiology & Quality Assurance (QA/QC) Department – Gained insights into quality, safety, and compliance testing as per regulatory standards. This visit significantly enriched students' understanding of the drug manufacturing process in alignment with Good Manufacturing Practices (GMP) The firm also awarded certificates to all participating students.

NINE DAY OF DEVOTION .

22nd September 2025

The Cultural Club of VGI, Indore devotionally celebrated the auspicious NINE DAYS of DEVOTIONAL CELEBRATION And all the students and Faculty and staff members participated into this celebration , as the NAVRATRI embarking this beautiful celebration . and for consecutive 9 days she was been worshipped by all the individual departments. The atmosphere was filled with JOY, SPRITUIILITY and HAPPINESS.

ESSAY COMPETITION

23rd September 2025

On 23rd September 2025, an Essay Competition was successfully conducted under the Student Development Portfolio at VGI, Indore. The topic of the competition was:-
 “प्रकृति के साथ सामंजस्य में रहना मानव विकास के लिए पूर्व अपेक्षित है”
 (Staying in harmony with nature is a prerequisite for human development).
 The event was organized to enhance the critical thinking and creativity along with para – phrasing and A total of 54 students from various colleges actively participated and presented their insightful thoughts on the importance of maintaining balance with nature for sustainable human progress.

HEALTH CAMP

23rd September 2025

Health camp on स्वस्थ नारी सशक्त परिवार at our VINS with the collaboration of Mewara Medicare and Eye care hospital, special thanks to Dr. Megha Agarwal and Dr Sonali Mewara for their presence as an expert. The faculties and Stidents took an advantage of the opportunity of the health camp, which resulted into a great beneficiary .

CIVIL ENGINEER'S VISIT TO SHREE CEMENT .

24th September 2025

The Department of Civil Engineering organized an industrial visit to the Shree Cement Bangur Concrete. The Visit aimed to provide students with practical exposure to cement manufacturing processes and its applications in construction. Students observed various stages of cement and concrete production, quality control measures, and modern technology used in the plant. The visit enhanced their understanding of theoretical concepts and highlighted the importance of sustainable practices in the cement. We are thankful to Mr. Ravishankar Shukla Plant Head and Mr. Ritesh Pandey Quality Control head who shared his valuable knowledge with our students. Total 26 students participated in this Visit.

VIAS - FINANCIAL AWARENESS & CONSUMER TRAINING

24th September 2025
