VISHWAKARMA JAYANTI

17/09/2026

At VGI, Indore Vishwakarma Jayanti was celebrated with great enthusiasm and reverence to honour Lord Vishwakarma, regarded as the divine architect and craftsman. The occasion highlights the importance of skill, craftsmanship, engineering, innovation.

HACKATHON 6.0

15/9/2026

Hackathon 6.0 was successfully organized as a two-day national-level innovation and problem-solving event on 15th and 16th September 2026. The event brought together talented and enthusiastic students from across the nation, providing them with a dynamic platform to showcase their creativity, technical skills, teamwork, and innovative thinking. A total of 75 teams from different parts of the country participated in the hackathon 24-hour hackathon with 94 teams and 304 participants.

Day 1 – 15 September 2026

The first day commenced with the inauguration and orientation of the participating teams. Participants were introduced to the hackathon themes, problem statements, rules, evaluation criteria, and timelines. Teams then began working on their respective ideas, engaging in brainstorming, coding, designing, prototyping, and testing.

Cultural Night – Hackathon 6.0- 15 September 2026

The Cultural Night of Hackathon 6.0 was celebrated on 15 September 2026 with great enthusiasm and energy. Hosted by the students, the evening showcased their confidence, creativity. The highlight of the evening was a power-packed rock band performance, which filled the atmosphere with excitement and created an unforgettable

experience for all participants, mentors, faculty members, and students.

Day 2 – 16 September 2026

The second day focused on finalizing the projects, testing prototypes, preparing presentations, and presenting solutions before the jury panel. Teams demonstrated their projects and explained the problem addressed, methodology adopted, technological approach, and potential real-world applications.

Winner: MIT Allahabad, 1st Runner-Up: Team from Chennai

INNOVIK Junior Hackathon 2026 (15 Sep) – 80 school students and 7 teacher mentors; prizes worth ₹10,000

The Innovik Junior Hackathon 2026 was successfully organized on September 15, 2026, bringing together promising young minds to foster innovation, technical problem-solving, and critical thinking. Designed exclusively for school students, the event served as a collaborative stage for high school innovators to showcase technology-driven ideas aimed at addressing real-world challenges. Junior Hackathon 2026 successfully highlighted the potential of school-level researchers and coders, building early interest in STEM and practical problem-solving. The management and faculty praised the school mentors and young innovators for their enthusiasm, creativity, and impactful ideas.

FDP ON STANDARDISING ETHICAL AI USAGE IN ACADEMIC RESEARCH: A STRUCTURAL FRAMEWORK

20/9/2026

The session was delivered by eminent academican Dr. Archana Singh, Professor at the School of Business, MIT World Peace University (MIT-WPU), Pune, Maharashtra. Addressing the virtual gathering, Dr. Singh emphasized that while AI tools offer unprecedented efficiency in processing literature, code optimization, and data visualization, their unchecked deployment creates severe risks to intellectual rigor and academic standards.

WORKSHOP ON DEVOPS

22/9/2026

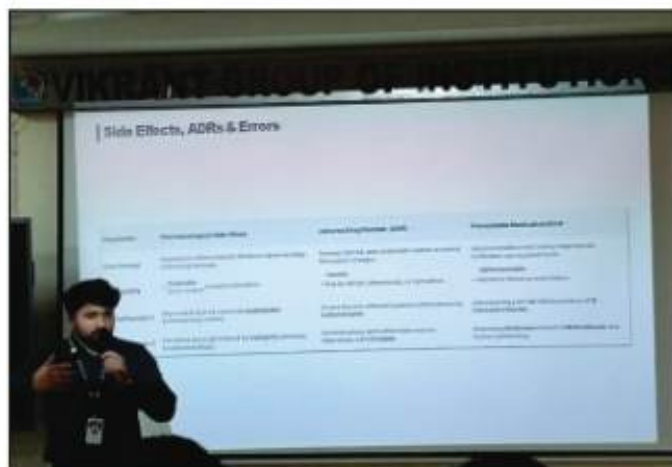

Department of Computer Science & Engineering successfully conducted an Expert Session for CSE & IT students. Expert Speaker: Mr. Vishal Porwal, 47 students attended the session and gained practical insights into DevOps practices, automation, CI/CD, industry requirements and real-world applications. The session provided valuable industry exposure and helped bridge the gap between academic learning and industry practices.

AWARENESS SESSION ON PHARMA CO-VIGILANCE & DRUG SAFETY

23/9/2026

On the occasion of *Pharmacovigilance Week 2026an awareness session on "Pharmacovigilance & Drug Safety – A Student Masterclass: Fundamental Principles, Historical Tragedies, Clinical Phases, Adverse Event Science, Regulatory Reporting & Global Careers"was organised , Mr. Ram Choudhary, Assistant Professor, VIPs, Indore, as the faculty resource person. He provided valuable insights into the fundamental principles of pharmacovigilance, historical drug safety tragedies, clinical trial phases, adverse event identification and reporting, regulatory requirements, and career opportunities in the global pharmacovigilance sector. The interactive session enhanced students' understanding of medicine safety, ADR reporting, and the role of pharmacists in protecting patient health.

SEMINAR ON AI AND ROBOTICS

23/9/2026

A total of 75 students participated in the session. The session provided students with valuable insights into Artificial Intelligence, Robotics, Automation, emerging technologies, industry trends, career opportunities, and real-world applications. The session offered valuable industry exposure and helped bridge the gap between academic learning and current industry requirements. Students also gained practical understanding of how AI and Robotics are transforming various engineering fields and creating new career opportunities.

WORLD PHARMACIST DAY

25/9/2026

CAMPUS DRIVE AND NUTRACEUTICAL PRODUCTS WELLNESS SESSION

23/9/2026

A Closed Campus Drive* was organized at VGI, Indore for the B. Pharmacy students in collaboration with Lifestyle Reset, a nutraceutical and wellness product company. The session was conducted by Mrs. Kanchan Verma, CEO of Lifestyle Reset, who interacted with the students and shared valuable insights into the nutraceutical and wellness industry. She discussed emerging opportunities in the wellness sector, industry expectations, career prospects, and the professional skills required for students aspiring to build successful careers in the pharmaceutical and nutraceutical industries.

VIPS, Indore, successfully celebrated World Pharmacist Day 2026 with great enthusiasm and active participation from students and faculty members. The celebration was organized on the theme "Empowering Pharmacists for Healthier Futures" and the sub-theme "Swastha Bharat: Combating Antimicrobial Resistance (AMR)", with the objective of highlighting the vital role of pharmacists in healthcare and society. The programme was graced by Ms. Anita Ziethi, DGM, Simbiotec Pvt. Ltd., Rau, as the Chief Guest. Her valuable presence and interaction with the students added great significance to the celebration and motivated the participants. As part of the celebration, various engaging and educational activities were successfully conducted, including Poster Competition, Reel Making Competition, and Pharma Quiz Competition. The Poster Competition provided students with a platform to creatively present their ideas on pharmacy and healthcare. The Reel Making Competition encouraged students to use digital media to spread meaningful health and pharmacy-related messages. The Pharma Quiz Competition helped students enhance and demonstrate their knowledge of pharmaceutical sciences and healthcare.

EXPERT SESSION ON BUILDING A CAREER IN FIRE, ENVIRONMENTAL HEALTH & SAFETY

25/9/2026

The Department of Fire Technology and Safety Engineering successfully organized an Expert Session on "Classroom to Industrial Working" on 25th September 2026. The session was delivered by Mr. Ajay Choudhary, an industry expert and Co-Founder of AVIKA EHS Solutions. The session was very interactive. Students asked queries regarding internships, job roles and future scope, which were well addressed by the speaker. The session was highly beneficial for the students. They got clarity on how to prepare themselves for industrial roles and build a successful and safe career in the Fire & Safety sector. All 80 students attended the session with great enthusiasm.

INDUSTRIAL VISIT TO COACH CARE COMPLEX

26/9/2026

An industrial visit was organized for the B.Tech 1st Year students of Vikrant Group of Institutions to Coach Care Complex, Dr. Ambedkar Nagar, on 26th September 2026. A total of 40 students accompanied by 2 faculty members participated in the visit. The visit was a valuable and enriching learning experience for the students and contributed significantly to their practical understanding of technical operations.

UMUGANDA

25/9/2026

Cleanliness Drive encourages students to work together to clean campus spaces, streets, recreational areas, VGI community as a whole participated in activities such as collecting waste, clearing roads, segregating organic and inorganic waste and maintaining the surroundings.

NURSING FOSTERING HEALTHCARE EXCELLENCE (3rd YEAR NURSING RESULT)

26/9/2026

VINS in collaboration with Medanta Hospital Indore on the occasion of world heart day. Famous endocrinologist Dr. Rahul Chauda has taken wonderful session for us, whole team of Medant hospital has conducted health checkup of more than 225 people of VGI Indore and near by Village area.

INDUSTRIAL VISIT TO MAHLE

28/9/2026

The plant tour, students gained practical exposure to engine component manufacturing, production processes, machinery, quality control, safety practices and industrial operations. The visit helped them understand the practical application of engineering concepts in the automobile industry.

PYTHON CERTIFICATION COURSES

28/9/2026

Python Certification Program kicked off And was Successfully Launched! 60-hour Python Certification Program by the Vikrant AI Nexus Club, Dept. of CSE & IT at the Centre of Excellence! Duration: 60 Hours. Great energy and enthusiasm from our students.

GUEST LECTURE JOB OPPORTUNITIES IN DIPLOMA AND CHALLENGES

29/9/2026

A guest lecture was organized for diploma students on the topic "Job Opportunities in Diploma and Challenges" - The session aimed to guide technical diploma scholars on career trajectories, skill readiness, industry expectations, and real-world workplace challenge.

EXPERT SESSION ON CNC MILLING MACHINES

29/9/2026

Industry expert Mr. Jeetendra Singh Wagh delivered the session to bridge academic theory and industrial practice. Students gained clear insights into automation, design, and production placements.

LINKEDIN AWARENESS SEMINAR

29/9/2026

The Skill Development Club, VGI organized an interactive session on "LinkedIn Awareness & Professional Profile Building" to introduce first-year students to the importance of building a strong professional identity from the beginning of their academic journey.

SDP ON DIGITAL MARKETING

30/9/2026

The Expert Mr Mukesh Porwal shared his valuable knowledge, practical insights, and expertise in the field of Digital Marketing. His engaging session provided our students with a better understanding of current industry practices and emerging opportunities.

INDUSTRIAL VISIT TO ADVANCE TECHNICAL & INDUSTRIAL TRAINING CENTRE

30/9/2026

During the plant tour, students gained practical exposure to New innovative product, CNC operation, mechanical engineering systems, production processes, advanced machinery, quality control, safety practices, and industrial operations. The visit helped them understand the practical application of engineering concepts in manufacturing and industrial fabrication.

FIRE EXTINGUISHER HANDS-ON TRAINING ON FIRE EXTINGUISHERS

30/9/2026

Expert: Mr. Sourabh Sharma, Govt. Authorized Fire Consultant, During the session, Mr. Sourabh Sharma explained the different classes of fire Class A, B, C, and D-along with various types of fire extinguishers, including ABC, CO₂, Foam, and DCP extinguishers. He also demonstrated the PASS (Pull, Aim, Squeeze, Sweep) method for operating a fire extinguisher and highlighted important fire safety precautions. The training was followed by a live practical demonstration.

GUEST LECTURE ON ACADEMIC AWARENESS AND CHALLENGES

29/9/2026

Mr. Arjun Raghuwanshi is our proud alumni of Diploma 2019 batch. He has more than 6 years of industrial experience at CAPARO and is an inspiration for our current students. The session was very interactive and inspiring. Being an alumni, students connected very well with him. Students have pledged to maintain 100% attendance, actively participate in all college activities, learn new technologies and focus on project-based learning.

FACULTY ACHIEVEMENTS

Dr. Jeetendra Singh Dodiya, Principal of Vikrant Institute of Technology and Management (VITM), Indore

Presented VGI, Indore at the Nodal Officer Connect Meeting for MSME Idea Hackathon 6.0, organised by MSME DFO, Indore, hosted at Acropolis Institute, Indore, on Monday, 21 September 2026. It was a valuable opportunity to connect with fellow nodal officers, share experiences, discuss key aspects of the hackathon, and strengthen our collective efforts towards promoting innovation & entrepreneurship among students.
